Celebrate REMEMBER AND FIGHT BACK

Wiregrass Electric Cooperative is committed to serving our local community. One way we do this is by participating in organizations such as the American Cancer Society. One in three people will be diagnosed with some form of cancer during their lifetime, according to the Cancer Society, and your cooperative wants to help find a cure. Join us by participating in Relay for Life, a community-based, volunteer-driven event to celebrate the lives of those who have battled cancer, remember loved ones lost, and fight back against a disease that takes too much.

The 2010 WEC Relay for Life team (L to R): Tammie Byrd, Lorrie Hatcher, Brynna Waters, Mona Mock, Cary Hatcher and Rebecca Waters.

ALABAMA COOPERATIVE YOUTH CONFERENCE

This exciting three-day summer conference gives 9th and 10th grade students an opportunity to develop leadership skills and learn about the cooperative way of doing business.

WEC will select several students who have an interest in leadership, business, economics and/or agriculture for the all-expense paid conference.

To apply, contact Cary Hatcher, Manager of Member Relations, at hatcher@wiregrasselectric.coop, or 334-944-7115.
