Your town in focus . . .**Slocomb -- Known for tomatoes**

Slocomb is a small town with a rich history. Brothers Frank and Will Slocomb were the first settlers of the area. Today, Slocomb remains a town of people working to build a safe and prosperous community. Their Tomato Festival began unofficially in 1967 as a dedication day for the Farmer's Produce Market in Slocomb.

Slocomb's Tomato Festival kicks off on June 18.

June Energy Saving Tip

One of the easiest ways to make your home more energy efficient is to add insulation in the attic. To see if you need insulation, look across an uncovered attic floor. If the insulation is level with or below the floor joists, you probably need to add more.

CEO blog**The Storms in Life**

by Michael S. McWaters

It has always been said that there are two guarantees in life -- taxes and death. But there is also another -- storms.

Figuratively, just about all of us have storms in life when we encounter obstacles and disappointments -- whether this be the death of a loved one, being unable to reach goals or dreams, loss of a

relationship or job, or unexpected expenses that drain our resources. Most of the time these storms hit when we're unguarded and we're taken by surprise.
